# Get started with Mendix Online Learning!

Why not check out our online Learning Paths?

View Learning Paths

# Classrooms

Mendix offers classroom training with a team of Mendix Academy experts at our locations in Boston, Rotterdam, and London

### Rapid Developer Course

**3 Days**

Learn the fundamentals of the Mendix platform along with how, when, and where to use them.

### Bootcamp

**10 Days**

Following on from Rapid Developer, work hands-on to build your Mendix development experience, technical knowledge and independence

### Crash Course

**2 Days**

Quickly get under the hood of Mendix for anyone familiar with Java, .Net, C# or similar technologies.

### Intermediate Developer Course

**2 Days**

Learn best practices around collaborating in larger teams and add your next level of knowledge of the Mendix platform

### Advanced Developer Course

**2 Days**

Take your skills to the next level and build apps using all the components of the Mendix platform.

# Get Certified

The Mendix Developer Certification Program will help to boost your career by validating your knowledge, skill level, and contributions to the Mendix community.

Get Certified

# Webinars

Our wide range of webinar topics include UX, Java, REST integration, QA, mobile, and performance. So, whether you're just getting started with Mendix and want to learn the basics, or you're a seasoned veteran developer, there's something for everyone!
